

Down Syndrome Society of Mobile County presents

3rd Annual Buddy Walk® **SPONSORSHIP OPPORTUNITIES**

The Buddy Walk was established by the National Down Syndrome Society in 1995 to celebrate Down Syndrome Awareness Month in October. The Buddy Walk has three primary goals: promote acceptance and inclusion of people with Down syndrome; raise funds locally and nationally for advocacy and public awareness programs; and enhance the position of the Down syndrome community, enabling us to positively influence local and national policy and practice.

On Saturday, October 9, more than 300 families, friends and supporters will join together at the Hank Aaron Stadium to celebrate the many abilities of individuals with Down syndrome.
