

Down Syndrome Society of Mobile County presents

4th Annual Buddy Walk® **SPONSORSHIP OPPORTUNITIES**

The Buddy Walk was established by the National Down Syndrome Society in 1995 to celebrate Down Syndrome Awareness Month in October. The Buddy Walk has three primary goals: promote acceptance and inclusion of people with Down syndrome; raise funds locally and nationally for advocacy and public awareness programs; and enhance the position of the Down syndrome community, enabling us to positively influence local and national policy and practice.

On **Saturday, October 15**, more than **700** people including families, friends and supporters will join together at the **Hank Aaron Stadium** to celebrate the many abilities of individuals with Down syndrome. For more information or to make an online donation visit www.dssmc.org
